

## ASaP – Your School’s ASP made easy

Here at the DAISI Service our mission is to help schools manage, use and understand data more effectively and save you precious time that could be spent working with your pupils.

**ASaP (Analysing School Attainment and Progress) is your essential electronic report** distilling your school’s Analyse School Performance Summary (ASP) into **Two time-saving simple to understand reports with personalised analysis on every page.**

Your **ASaP Summary** for the Primary phase is packed with easy-to-read graphs and charts plus our ready-made performance statements covering the basic characteristics of your school:

- Absence
- Early Years
- Phonics
- KS1
- KS2 Attainment and progress

It reports:

- By subject and pupil groups
- Percentage of pupils
- Attaining each outcome
- Prior attainment
- Closing the gap

Your **ASaP Appendix** presents your data, throughout the key stages, **by cohort type**. ***This is not easily available in ASP.***

We present a 3-page analysis for up to 42 different cohort types including:

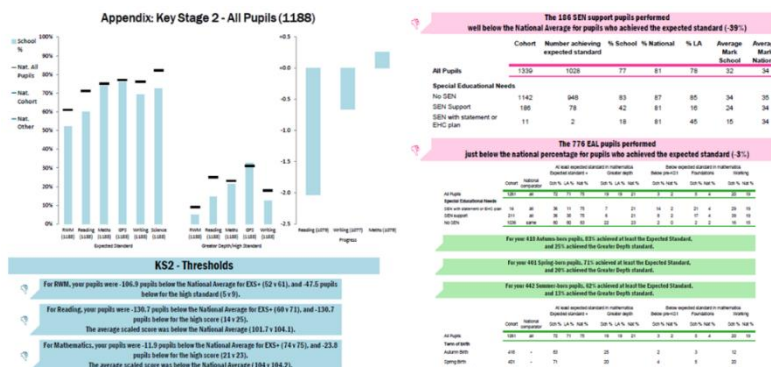

- Gender, Free School meals, Looked after children
- Disadvantaged, English as an additional language
- SEN and each of your pupils’ ethnicities.

**You can buy both reports separately or together as a group.**

**ASaP** provides clear performance statements of what the data means for your school.

You can easily incorporate key messages into your SEF, use with teaching staff to improve outcomes, include detailed analysis in your school development plan and ensure your Governors understand your data better.

You can also use it to prepare for Ofsted as it correlates fully with the 2018 Ofsted Inspection Data Summary Report (IDSR).

## ASaP helps you by:

No need to click through every page on the ASP and print it off

No need to filter your data multiple times

No need to manually rework your school data, as identified pupils can be removed.

No need to wade through your data twice

No need to write additional explanations for School Governors

No need to do analysis again for Ofsted.

Your **ASaP** comes as two composite reports (can be purchased separately).

Your **ASaP Appendix** analyses by cohort type.

Your **ASaP** is also available in a “School’s own data” version. (contact us for more details)

Your **ASaP** reports come as a pair analysing your unvalidated and validated data (later in the academic year for no extra cost)

Your **ASaP** provides clear performance statements describing what the analysis means for your school

Your **ASaP** is cross-referenced to Ofsted’s Inspection Data Summary Report (IDSR) saving you time in finding correlating detail.

*“Using the ASaP analysis with both staff and governors is so much more effective with the DAISI reports. The visual presentation makes it accessible to all, staff quickly assimilate the information they need to support their subject and school development plans. Whilst governors have the overview and detail they require to enable them to ask relevant, pertinent and searching questions with confidence and understanding.”*

**Karen O’Donnell, Head Teacher, Athelstan Community Primary School**

## Ordering

We price both our reports so they are affordable to all schools – large or small.

One Report:                      Primary    £150    Junior/Middle    £100    Lower/infant    £70

Both Reports                    Primary    £249    Junior/Middle    £169    Lower/Infant    £115

**We aim to produce our ASaP reports within 4 working days of receipt of your data.**
