

QLA
Transition

Forensic Analysis of your New Year 7's SATs Results Immediately see areas that are secure and the gaps to focus on

QLA-Transition breaks down your new Year 7's SATs results to give you detailed insight into your new pupils' Strengths and Weaknesses before they even set foot in your school.

Our analysis, created in collaboration with teachers, ASTs and a former Maths Hub Lead, has been designed with Ofsted, Departmental Heads and Class Teachers in mind.

The KS2 SATs give a validated indication of each of your students' strengths and weaknesses and the results are available every year.

[Full Overview for HoD and HoY](#)

QLA Transition allows you to see a full overview of your school's results allowing you to focus in as a department on specific areas for intervention.

[Detailed Insight for Classroom Teaching](#)

All our analysis can be arranged into bespoke class groups giving clear Topic and Cohort information for every member of staff.

[Individual Pupil Profiles](#)

QLA Transition allows you to see how each individual pupil performed. See their Strengths and Challenges in easy-to-read pupil profiles – all part of the class pack.

Benefits for you

- **No need to run a Baseline Assessment**
- Reports can be created before term starts.
- **Individual Pupil Profiles** for every child
- **Full Topic Insight** for Classroom Teachers
- Organised into **Bespoke Class Groups**
- **Full Cohort Analysis** – gender, disadvantaged, SEN, EAL and more.
- **Evidence for Pupil Premium** – match intervention to need.
- Reports ready to share with Assessment Co-ordinators, Senior Leaders, Subject Leaders, School Improvement Partners, Governors and Ofsted.
- **Single page views** with clear graphs, colour coding and benchmarking.
- **Each question cross-referenced**; domain references/mark scheme/test framework, showing which subject area each question is assessing.
- **Clear Evidence** for where early intervention strategies are needed.

“Daisi Transition provides key topic evaluation to prioritise areas of focus in the catch up sessions enabling more targeted and focused intervention to take place.”

Deepings School, Peterborough (Anthem Schools Trust)

Value for Money and Fast Delivery

Your reports will be produced within 4 days from provision of data.

Once your order is placed, you will receive an email explaining how to send in the data required including bespoke class lists.

Reports sent via secure email.

Ordering

Visit: www.daisi.education/qla-transition/ for more details.

You will receive full instructions for downloading and sending us your data securely.
Once that is done correctly, we do the rest.

We can also produce a comparative analysis of all schools within [Multi-Academy Trusts](#) or [School Federations](#) - please ask for more details and pricing.
